Discounts and Pricing

Fax orders do not qualify for free shipping or any further discounts. Orders placed online by the customer are eligible for free shipping and/or any discount codes. Use Coupon Code "free" for free shipping on key blank orders of $100.00 or more, when you place your order online. Use Coupon Code "kbs" for 10% savings on most key blank purchases, when you place your order online. Make sure to enter your quantities on the fax form in the options we offer. Product prices and quantity options can be viewed online.

Returns

Cut key blanks, literature, specials or close outs, painted key kits, partial quantities, key machines, tier packages and special orders are NOT returnable. Individually packaged keys such as VATS, PATS, and Transponder keys are only returnable if still in unopened, unaltered packaging. Returns are accepted within 30 days for a refund of original price, minus a 25% restocking fee and any shipping charges. All sales final after 30 business days. Items that are returned to us marked return to sender, or undeliverable, will be charged a 10% restocking fee, less shipping. No further delivery attempts will be made. All returns require a RETURN AUTHORIZATION NUMBER. Call our office to obtain this number prior to your return. Performance issues with key machine will need to be addressed to the manufacturer. It is recommended that you retain all paperwork and packaging from your key machine in case you encounter any problems. We HIGHLY recommend keeping the box your key machine came in just in case your machine needs to be sent back for service.

Precut Keys

Precut keys require no cutting and will work right out of the package. Precut keys are sold with the understanding that they are for your personal property and/or equipment. If these keys are not for your personal property and/or equipment, DO NOT BUY THEM. We will not be held responsible for those who use these keys in an unlawful manner.
